

IMPORTANT NOTICE (27.11.25)

For Patients on Oral Contraception or Requiring Emergency Contraception

NHS PHARMACY ORAL CONTRACEPTION & EMERGENCY CONTRACEPTION SERVICE

Community pharmacies now offer a **FREE NHS contraception service**, including:

- **Initiation of oral contraception** (starting the pill for the first time)
 - **Continuation of existing oral contraception**
 - **Free emergency contraception** (morning after pill)
-

WHO SHOULD ATTEND A PHARMACY?

You will be referred to a local pharmacy if:

- You use oral contraception **for contraceptive purposes**, or
 - You wish to **start** oral contraception.
 - You require emergency contraception
-

WHO WILL CONTINUE TO BE SEEN BY WESTBURY GROUP PRACTICE?

Our **Women's Health Team** will continue to care for patients using oral contraception to manage:

- Gynaecological disorders
 - Bleeding issues
 - Skin conditions
-

For further information, please speak to Reception or your local pharmacy.
